

Toller Club of Great Britain Trophy Points Agility Points League

Basic Rules

- 1) The Toller Club of Great Britain Agility League is open to all Nova Scotia Duck Tolling Retrievers; however membership to the Toller Club Of Great Britain is a prerequisite to joining our Agility league.
- 2) The league will run from the 1st May to 30th April
- 3) Members can join the agility league at anytime however their points will not be backdated.
- 4) Points are awarded for places but ONLY if a rosette is actually awarded. This is to help with fairness. For example, if only 15 places are awarded with rosettes and you came 16th this will count as a clear round only.

Awards

Trophies are presented for the top medium and top large dog, other awards may be added later as the league increases in size.

Trophies will be presented at our annual funday which is held in June each year.

Accepted Classes & Shows

Points can be claimed for all scheduled KC, Non-KC and FCI shows

Points can be claimed for all scheduled individual classes for agility, jumping and steeplechase.

Teams, pairs or pay on the day classes cannot be included.

Games – places will be accepted towards points but not clear rounds.

Any other special classes are at the discretion of the club.

Points cannot be claimed from club days, leagues, inter club matches or fun days.

Scoring

Points are awarded for places but ONLY if a rosette is actually awarded.

For classes where clear round rosettes are not awarded you are still entitled to claim your clear round points. Clear rounds must be within course time.

The league is concerned with the dog's achievements; therefore you can still claim points even if the dog is run by a different handler.

There are two scales for points, one for classes with more than 100 dogs and the other for classes under 100 dogs.

Clear Rounds within course time will be 5 points.
